

Brian A. Munoz - Resume

Brian A. Munoz

Analytics Intern

Bountiful, UT | 385-299-5344 | brianmunozr@gmail.com | [LinkedIn](#)

Summary

With 3+ years of experience in data collection and analysis, my primary focus is driving informed decision-making through rigorous examination of complex datasets. I specialize in developing and implementing advanced analytical models, data visualization, translating findings into clear, strategic recommendations, and empowering teams to leverage data for goal achievement.

My expertise includes creating innovative strategies to expand client reach and improve existing projects. I aim to uncover valuable insights that propel companies and their workforce towards sustainable success.
